Date: [Insert Date]

To,

The Director General of Meteorology,
India Meteorological Department (IMD),
Mausam Bhawan, Lodhi Road,
New Delhi – 110003

Subject: Request for IMD Weather Data API credentials for academic research purposes.

Respected Sir/Madam,

I am writing to formally request API access credentials to the India Meteorological Department's weather data on behalf of **[Name of your Institution/University]**. This access is required for a bona fide academic and research project titled "**[Insert Title of Your Project/Research]**".

The primary objective of this study is to analyze **[briefly describe your goal, e.g., rainfall patterns / temperature anomalies / extreme weather impacts]** in the region of **[insert target region/state]**. To achieve this, our research team requires real-time/historical data feeds including **[specify parameters needed, e.g., daily temperature, district-wise rainfall forecasts, or radar data]**.

We hereby assure you that all data obtained through the IMD API will be utilized strictly for non-commercial, academic, and research purposes. Proper credits and citations to the India Meteorological Department will be prominently featured in any resulting publications, reports, or presentations.

The API credentials can be provisioned to the following nodal researcher/student details:

- **Name of Student/Researcher:** [Your Full Name]
- **Roll Number / Designation:** [Your ID number]
- **Official Email Address:** [Your Institutional Email ID]
- **Contact Number:** [Your Mobile Number]

Thank you for your time, consideration, and vital support towards advancing academic scientific research in the country.

Yours sincerely,

[Signature & Name of Head of Department / Principal / Research Guide]
